IMPRESSA XJ5 Professional

Coffee for purists

Benefits

- Clear design with elegant finish
- Coffee / espresso specialist
- Operating panel with direct selection buttons
- Aroma preservation cover and active bean monitoring

Accessories

- Cup warmer
- Compact Payment Box
- Coffee to Go equipment
- Professional accessory drawer
- Permanent water connection kit
- Coffee grounds disposal / drip drain set XJ

If you want to add an attractive specialist espresso/coffee machine to your team, you can't afford to miss the IMPRESSA XJ5 Professional. This coffee machine is the ideal solution for satisfying coffee purists who are quite particular about their coffee, espresso and ristretto. With its perfect design, it integrates seamlessly into any environment. Thanks to the simple, clear operating concept, users can enjoy perfect coffee in no time.

Technologies

Designed to create the ultimate coffee, espresso and ristretto, the IMPRESSA XJ5 Professional prepares all these varieties with incredible ease at the touch of a button, thanks to its operating panel with direct selection buttons. It can prepare either one or two cups at the same time, depending on what you require. The IMPRESSA XJ5 Professional also delivers outstanding performance with its sophisticated eco-intelligence concept. Offering an intelligent Energy Save Mode and a Zero-Energy Switch, it actively helps you to save precious energy.

Cleaning/Hygiene

As well as being easy to operate and programme, the machine is designed to be very easy to care for. The integrated rinsing, cleaning and descaling programmes reduce the effort involved to a minimum and guarantee TÜV-certified hygiene.

Customisable

With a wide selection of accessories including a Compact Payment Box, cup warmer, Intelligent Fresh Water Kit and an attractive range of storage and presentation units, it is possible to create a complete coffee solution tailored to your specific requirements.
